This reading plan is designed to look at the book of Romans **intensely** for one whole year. In fact the person who holds to this plan will have read through the book of Romans 23 times by the end of the year! This great book has been said by many to be the single most important book in the New Testament. Consider what great Christians of the past have said about this book.

Martin Luther praised the Book of Romans by saying: “It is the chief part of the New Testament and the perfect gospel . . . the absolute epitome of the gospel.”

John Calvin said of Romans, “When any one understands this Epistle, he has a passage opened to him to the understanding of the whole Scripture.”

G. Campbell Morgan said Romans was “The most pessimistic page of literature upon which your eyes ever rested” and at the same time, “the most optimistic poem to which your ears ever listened.”

Matthew Henry said, “If we may compare scripture with scripture, and take the opinion of some devout and pious persons, in the Old Testament David’s Psalms, and in the New Testament Paul’s Epistles, are stars of the first magnitude, that differ from the other stars in glory.”

Chrysostom would have this epistle read over to him twice a week.

May you be blessed as you read Pauls epistle to the Romans through and through and through again! Perhaps even enough to memorize large portions of it.

God Bless You!
